**RE: Establishing Just and Reasonable Rates for Local Exchange Carriers, WC
Docket No. 07-135, Developing a Unified Intercarrier Compensation Regime,
CC Docket No. 01-92**

Dear Ms. Dortch:

On September 15, 2010, David Erickson, Joshua Lowenthal, and the undersigned of Free Conferencing Corporation, Megan Delany of Delany Advisory Group, LLC, Mary Diamond Stirewalt of Mary Diamond Strategies, LLC and Scott Swier of Swier Law Office, LLC met with Commissioner Robert McDowell and Christine Kurth, Wireline Advisor to Commissioner McDowell, to discuss issues related to the above-referenced dockets.

In the meeting we discussed the need to eliminate current abuses occurring within the existing inter-carrier compensation regime while preserving the pro-consumer and pro-competitive benefits of services such as free conferencing services. We also discussed the unlawful behavior occurring in today's marketplace by carriers who employ "self-help" tactics by simply refusing to pay charges owed. Finally, we discussed working to develop potential solutions that would achieve our shared goals of curtailing real abuses without eliminating valuable services and applications, including free conferencing services.

Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

/s/ Jeff Holoubek
